## Investment Overview

### INVESTMENT OBJECTIVE

To exceed the returns of the Bloomberg Barclays 1-3 Year Government/Credit Index over the course of a market cycle.

### DESCRIPTION

Merganser Short Term Bond Institutional Trust R1 is a collective investment fund ("CIF") created by the Hand Composite Employee Benefit Trust and sponsored by Hand Benefits & Trust Company, a BPAS company, that invest in the strategies of Merganser Capital Management, LLC (Merganser) which serves as sub-advisor to the CIF.

### PRINCIPAL INVESTMENT STRATEGY

We employ a team managed approach to a disciplined, value-oriented process for investing in investment grade spread sectors. We construct portfolios from the bottom-up, and manage risk from the top-down, with a goal of achieving high risk-adjusted returns.

### COMPARABLE COMPOSITE STRATEGY

The related performance information provided in this material is for the Merganser Short Term Bond Composite. Merganser employs the same team managed approach to a disciplined, value-oriented process for investing in investment grade spread sectors.

## Firm Overview

Formed in 1985, Merganser Capital Management is an SEC registered investment advisor focused exclusively on fixed income investing. Based in Boston, Massachusetts, we manage approximately \$10B in assets across a wide multitude of fixed income strategies.

We believe that in an inefficient over-the-counter market, our active fixed income management process can provide consistent excess returns. As fundamental investors, we aim to understand the intricacies of fixed income vehicles in order to identify the securities and sectors that provide the most attractive risk/reward characteristics. Succeeding in this endeavor has allowed us to meet the needs and objectives of our clients and gain their trust.

*Important Performance Information: Merganser Short Term Bond Institutional Trust R1 has limited performance data to report. All performance information shown for Merganser STB Composite is presented on a total return basis, and reflects the reinvestment of distributions. The performance quoted here does not guarantee future results. Performance information for Merganser STB Composite shown herein should not be relied upon, does not represent, and is not indicative of the Fund's actual or future performance or the results that may be achieved by an investor in the Fund. Merganser STB CIF is a private collective trust fund that is not registered as an investment company under the 1940 Act. Before investing in any investment portfolio, the client and financial professional should carefully consider the client's investment objectives, time horizon, risk tolerance and concerns about fees.*

*Disclaimers & Footnotes: Merganser Short Term Bond Institutional Trust R1 is a collective investment funds ("CIF") created by the Hand Composite Employee Benefit Trust and sponsored by Hand Benefits & Trust Company, a BPAS company, that invest in the strategies of Merganser which serves as sub-advisor to the CIF. The CIF is not a mutual fund. Its shares are not deposits of Hand Benefits & Trust Company, a BPAS company, or Merganser, and are not insured by the Federal Deposit Insurance Corporation or any other agency. The CIF is a security which has not been registered under the Securities Act of 1933 and is exempt from investment company registration under the Investment Act of 1940. The Fund was funded on March 4, 2014. The Merganser Short Term Bond Institutional Trust R1 is new and has limited actual performance data to report. The CIF performance inception date is April 1, 2014, which reflects the first full month of performance. Related performance data quoted represents the past performance of Merganser's Short Term Bond composite based on separately managed accounts. The net of fees performance is calculated by subtracting the anticipated expense ratio (0.40%) from the annualized gross of fee composite returns. Actual fund expenses will be accrued daily and paid monthly. The total expense ratio for the Merganser Short Term Bond Institutional Trust R1 is an estimate based on \$20 million in net assets. The actual fund expense ratio may be different. The composite returns for the stated period assumes reinvestment of dividends and other earnings. The performance quoted here does not guarantee future results. This material is intended for informational purposes only and does not constitute investment advice, a recommendation, or an offer or solicitation to purchase or sell any security or other instrument.*

*Principal Risks: There are risks involved with investing, including possible loss of principal. As market conditions fluctuate, the investment return and principal value of any investment will change. Diversification may not protect against market risk. All fixed income securities are subject to interest rate risk in that bond prices move inversely to changes in interest rates. Mortgage backed and asset backed securities are specifically exposed to prepayment risk. Securities below investment grade typically experience greater price volatility in conjunction with having an increased risk of default. Before investing in any investment portfolio, the client and the financial professional should carefully consider client investment objectives, time horizon, risk tolerance, and fees.*
